[63 FR 6053, Feb. 6, 1998, as amended at 73 FR 54307, Sept. 19, 2008]

§ 4274.320 Loan terms.

(a) No loan to an intermediary shall be extended for a period exceeding 30 years. Interest and principal payments will be scheduled at least annually. The initial principal payment may be deferred (during the period before the facility becomes income producing) by the Agency, but not more than 3 years.

(b) Loans made by an intermediary to an ultimate recipient from the IRP revolving fund will be scheduled for repayment over a term negotiated by the intermediary and ultimate recipient. The term must be reasonable and prudent considering the purpose of the loan, expected repayment ability of the ultimate recipient, and the useful life of collateral, and must be within any limits established by the intermediary's work plan.

§§ 4274.321–4274.324 [Reserved]

§ 4274.325 Interest rates.

(a) Loans made by the Agency pursuant to this subpart shall bear interest at a fixed rate of 1 percent per annum over the term of the loan.

(b) Interest rates charged by intermediaries to ultimate recipients on loans from the IRP revolving fund shall be negotiated by the intermediary and ultimate recipient. The rate must be within limits established by the intermediary's work plan approved by the Agency. The rate should normally be the lowest rate sufficient to cover the loan's proportional share of the IRP revolving fund's debt service costs, reserve for bad debts, and administrative costs.

§ 4274.326 Security.

(a) *Intermediaries.* Security for all loans to intermediaries must be such that the repayment of the loan is rea-

sonably assured, when considered along with the intermediary's financial condition, work plan, and management ability. It is the responsibility of the intermediary to make loans to ultimate recipients in such a manner that will fully protect the interests of the intermediary and the Government.

(1) Security for such loans may include, but is not limited to:

(i) Any realty, personalty, or intangible capable of being mortgaged, pledged, or otherwise encumbered by the intermediary in favor of the Agency; and

(ii) Any realty, personalty, or intangible capable of being mortgaged, pledged, or otherwise encumbered by an ultimate recipient in favor of the Agency.

(2) Initial security will consist of a pledge by the intermediary of all assets now in or hereafter placed in the IRP revolving fund, including cash and investments, notes receivable from ultimate recipients, and the intermediary's security interest in collateral pledged by ultimate recipients. Except for good cause shown, the Agency will not obtain assignments of specific assets at the time a loan is made to an intermediary or ultimate recipient. The intermediary will covenant that, in the event the intermediary's financial condition deteriorates or the intermediary takes action detrimental to prudent fund operation or fails to take action required of a prudent lender, the intermediary will provide additional security, execute any additional documents, and undertake any reasonable acts the Agency may request to protect the Agency's interest or to perfect a security interest in any asset, including physical delivery of assets and specific assignments to the Agency. All debt instruments and collateral documents used by an intermediary in connection with loans to ultimate recipients must be assignable.

(3) In addition to normal security documents, a first lien interest in the intermediary's revolving fund account will be accomplished by a control agreement satisfactory to RBS. The control agreement does not have to require RBS signature for withdrawals. The depository bank shall waive its offset and recoupment rights against the

depository account to RBS and subordinate any liens it may have against the IRP depository bank account. The use of Form RD 402-1, "Deposit Agreement," or similar form developed by the State Regional Office of the General Counsel is acceptable.

(b) *Ultimate recipients.* Security for a loan from an intermediary's IRP revolving fund to an ultimate recipient will be negotiated between the intermediary and ultimate recipient, within the general security policies established by the intermediary and approved by the Agency.

§§ 4274.327–4274.330 [Reserved]

§ 4274.331 Loan limits.

(a) *Intermediary.* (1) No loan to an intermediary will exceed the maximum amount the intermediary can reasonably be expected to lend to eligible ultimate recipients, in an effective and sound manner, within 1 year after loan closing.

(2) The initial Agency IRP loan as defined in § 4274.302(a) will not exceed \$2 million.

(3) Intermediaries that have received one or more IRP loans may apply for and be considered for subsequent IRP loans provided:

(i) At least 80 percent of each of an intermediary's IRP loans, except those earmarked for special purposes, must have been disbursed to eligible ultimate recipients or the subsequent loan will serve a geographic area not included in an area currently served.

(ii) The intermediary is promptly relending all collections from loans made from its IRP revolving fund in excess of what is needed for required debt service, reasonable administrative costs approved by the Agency, and a reasonable reserve for debt service and uncollectable accounts;

(iii) The outstanding loans of the intermediary's IRP revolving fund are generally sound; and

(iv) The intermediary is in compliance with all applicable regulations and its loan agreements with the Agency.

(4) Subsequent loans will not exceed \$1 million each and not more than one

loan will be approved by the Agency for an intermediary in any single fiscal year unless the request is from an IRP earmark.

(5) Total outstanding IRP indebtedness of an intermediary to the Agency will not exceed \$15 million at any time.

(b) *Ultimate recipients.* Loans from intermediaries to ultimate recipients using the IRP revolving fund must not exceed the lesser of:

(1) \$250,000; or

(2) Seventy five percent of the total cost of the ultimate recipient's project for which the loan is being made.

(c) *Portfolio.* No more than 25 percent of an IRP loan approved may be used for loans to ultimate recipients that exceed \$150,000. This limit does not apply to revolved funds.

§ 4274.332 Post award requirements.

(a) *Applicability.* Intermediaries receiving loans under this program shall be governed by these regulations, the loan agreement, the approved work plan, security interests, and any other conditions which the Agency may impose in making a loan. Whenever this subpart imposes a requirement on loans made from the "IRP revolving fund," such requirement shall apply to all loans made by an intermediary to an ultimate recipient from the intermediary's IRP revolving fund for as long as any portion of the intermediary's IRP loan from the Agency remains unpaid. Whenever this subpart imposes a requirement on loans made by intermediaries from "Agency IRP loan funds," without specific reference to the IRP revolving fund, such requirement shall apply only to loans made by an intermediary using Agency IRP loan funds, and will not apply to loans made from revolved funds.

(b) *Maintenance of IRP revolving fund.* For as long as any part of an IRP loan to an intermediary remains unpaid, the intermediary must maintain the IRP revolving fund. All Agency IRP loan funds received by an intermediary
